

Away Meets and Camps

International Meets and Selection Criteria

The selection criteria for international meets is at this [link](#) on the SNZ web site

Camps and Away Meets

Planning is usually underway early for future training camps and away meets. Updates on camps information will be provided as details are available and parents wanting to assist with the planning or management at these events should email the club administrator. Each year the coaches and committee will establish criteria for invitation to these events.

Consistent with Swimming NZ policies, all managers at camps and away meets will be subject to police vetting checks.

All parents and swimmers will be required to read, understand, and sign an additional code of conduct document for the particular event they are attending, which should be read in conjunction with the existing United and SNZ Codes of Conduct. These documents will also outline the consequences of not meeting the appropriate standard of conduct whilst away with United.

Costs

The club's policy for away meets and camps is that all costs are divided among the swimmers that make a commitment and/or a payment to attend the away meet or camp.

All funds paid towards the away meet or camp should be considered to be non-refundable unless any particular deposit or payment is specified to be refundable. Where a swimmer withdraws their commitment to attend an away meet or a camp, the club will use best endeavours to obtain a refund from the providers it has made commitments and/or payments to and any refund will only be to the extent that this does not increase the cost to other swimmers attending. Where a swimmer withdraws from an away meet or camp, the club will deduct an administration fee of \$75 from any refund, unless the swimmer provides a medical certificate for the withdrawal, or the Committee determines that there are exceptional circumstances.

An initial estimate of the costs will be made for the purpose of collecting money towards the away meets costs. A final analysis of the costs incurred will be submitted to the families in due course after the event takes place and after all costs are finalised (sometimes this can take some time). If there is a refund due to families, this may be refunded or credited against future fees.
